[List of Public Comments emailed to Panel on 10 11 2016.xlsx](#)

All,

Attached are the written public comments that have been submitted to the FIFRA SAP and posted in the public docket as of October 7, 2016 (this includes the comments I sent previously on September 27, 2016). Due to the number of files, I am sending these comments in 6 e-mail messages. These comments are also accessible through the docket link that I've provided previously (<https://www.regulations.gov/docket?D=EPA-HQ-OPP-2016-0385>). Please review these materials as you prepare for the meeting.

**Please note that I am providing all attachments and some of these attachments are copyright protected.** As a Special Government Employee of EPA, we can provide these materials to support your work for the FIFRA SAP. We ask that you do not copy or further distribute these materials and that you destroy any electronic or paper copies once your work for the Panel has concluded. **Please note the copyright statement listed at the end of this message and in subsequent messages.**

Please let me know if you have any questions.

Thanks again.

Steve
